**PUBLIC NOTICE**

**RE: DISCONTINUATION OF DIAL-UP webPACER**

As a result of the universal acceptance of Internet webPACER, effective immediately, the older dial-up version of webPACER for the United States Bankruptcy Court for the Central District of California will be discontinued.

webPACER is the Court's system for *Public Access to Court Electronic Records*. With the introduction of the Internet version of webPACER in 2001, usage of the older dial-up webPACER system has declined to levels so small that continued maintenance and support cannot be justified.

Internet webPACER access continues to be available to registered users at a cost of \$0.07 per page. To register or learn more about the Internet version of webPACER, visit the web site at <[www.pacer.psc.uscourts.gov](http://www.pacer.psc.uscourts.gov)> or call the PACER Service Center at (800) 676-6856, Monday through Friday, 8:00 a.m. to 5:00 p.m. (Central Time).
